SUBJECT : Office of Security Statistical Report for
AUGUST 1961

1. The attached tables and charts reflect some of the activities of certain components of the office during AUGUST 1961.

2. The statistics in the tables are compiled by the components concerned and refer to the current month.

3. The charts are prepared in this office from the statistics in the tables and afford a means of comparing the various accomplishments, workloads, and activities from the beginning of the current fiscal year to date.

4. The only noteworthy item of interest recorded for this month is the policy determination made to require the use of exposed building badges at the new building. This was effected with the concurrence of DD/P, DD/I and DD/S. Plans for procurement of the necessary appurtenances were started in order to put the policy into effect by 19 September 1961, the initial date of partial occupancy of the new building.
